

New tag "Payment submitted"

If a payment is authorised via e-banking (DeepPay) using the "Pay now" button, the document is marked with the "Payment transmitted" tag.

New suggestions for VAT fields on the position

The following position fields can now be entered using the "Suggestions":

- VAT rate: If a VAT rate of 100% is entered, the total amount incl. corresponds to the total amount excl. The DeepBox displays a VAT amount of CHF 0.00 but is calculated correctly in Abacus. Therefore, the VAT amount = Total incl. = Total excl.
- VAT amount-total amount excl.
- total amount incl.

Introduction of new DeepCloud logo

The new DeepCloud logo has been integrated into all products. Further information can be found here:
