- direct printing possible when previewing a PDF

New packages available for EES

It is now possible to purchase even larger packages for simple electronic signatures, with which greater savings can be achieved.

Simple Electronic Signature (SES)

 CHF 0.00 ▼

Additional used signatures: 0 at CHF 0.50 each.

Save up to 70% with yearly packages

Signatures	Per signature	Price	
500	CHF 0.35	CHF 175.00	Buy package
1'000	CHF 0.30	CHF 300.00	Buy package
5'000	CHF 0.25	CHF 1'250.00	Buy package
10'000	CHF 0.20	CHF 2'000.00	Buy package
25'000	CHF 0.18	CHF 4'500.00	Buy package
50'000	CHF 0.15	CHF 7'500.00	Buy package

Various bug fixes and improvements, such as

- fixed a problem where navigating backwards to the DeepBox did not work in certain cases
- fixed an issue where the filter in the cockpit did not show the correct status after the document was withdrawn
- updated translations
- fixed an issue where a withdraw comment was pre-filled when multiple documents were withdrawn one after the other with a comment

New URL for DeepSign

The URL for DeepSign has been changed from `sign.deepbox.swiss` to `app.deepsign.swiss`. The previous URL remains accessible and redirects to the new one.
